

Technical Data Sheet

SULFATRON L (40%)

Product description:

Sulfatron L (40%) heavy duty degreaser is a versatile, non- chlorinated, non-conductive and non-corrosive degreaser that aggressively attacks and easily cleans Dirt, Greases and Oil messes or spills etc

Sulfatron L (40%) heavy duty degreaser is a specially fortified blend of concentrated powerful degreasers and surfactants formulated to effectively remove grease, oil, dirt and grime from metal, machine parts, engines, concrete and other hard surfaces. It is a versatile product having numerous applications.

The product is water soluble and replaces other solvent based degreasers.

Sulfatron L (40%) heavy duty Degreaser is a heavy-duty, water- dilutable cleaner/degreaser for tough cleaning jobs in industrial and commercial applications. It is ideal for cleaning in Rigs, Platforms, Struts, Pipelines, Pumps, Compressors, Engines, Equipment, Machinery, Vehicles, Tools, Bare or painted metals, Concrete, Rubber, Plastics etc all other water surfaces.

Sulfatron L (40%) is safe cleaner to handle and nonflammable.

Typical applications:

- Oil rigs, Platforms and industrial uses
- Machinery or engines coated with grease or oil deposits
- Sheet metal covered with oil or waxy film prior to painting
- Maintenance of office equipment, floors, walls and restrooms Removal of temporary coatings

Typical properties:

Parameters	
Appearance	Green pale liquid
Odour	Detergent
pH	7.0-9.0
Freezing point	Approx -5°C
Boiling point	Approx 100°C
Flash point	None
Specific gravity at 20°C	0.90-1.00
Solubility in water	Complete

Main applications:

Technical Data Sheet

Features & Benefits:

- Non-Chlorinated. Lowers personal risk.
- No Residue. Reduces need for additional cleaning steps.
- Environmentally friendly
- Safe for users
- Heavy duty cleaner

Metal protected:

- ✓ Carben steel
- ✓ Galvanized steel
- ✓ Stainless steel
- ✓ Cast iron
- ✓ Aluminium and Alloys
- ✓ Copper and Alloys

Storage and Packaging:

- 20 ltr pails
 - 220 ltr drums
 - 1000 ltr IBC
-
- ✓ The product should remain sealed before storage.
 - ✓ The shelf life the Sulfatron L (40%) Degreaser is up to 24 months.

Important:

For a better suitability of the product for your particular purpose, tests are recommended prior product use. You are advised to make your own determination as to safety, appropriate manner of handling, storage, use and disposal. All the information contained in this product technical sheet is offered for your consideration, investigation and verification. The data is presented in good faith and is believed to be reliable. You should not consider the descriptions, information, data or design as a part of our terms and conditions of sale. We expressly disclaim responsibility or liability for any loss, damage or expense arising out of reliance on the information provided herein.
